

FEBRUARY 2020

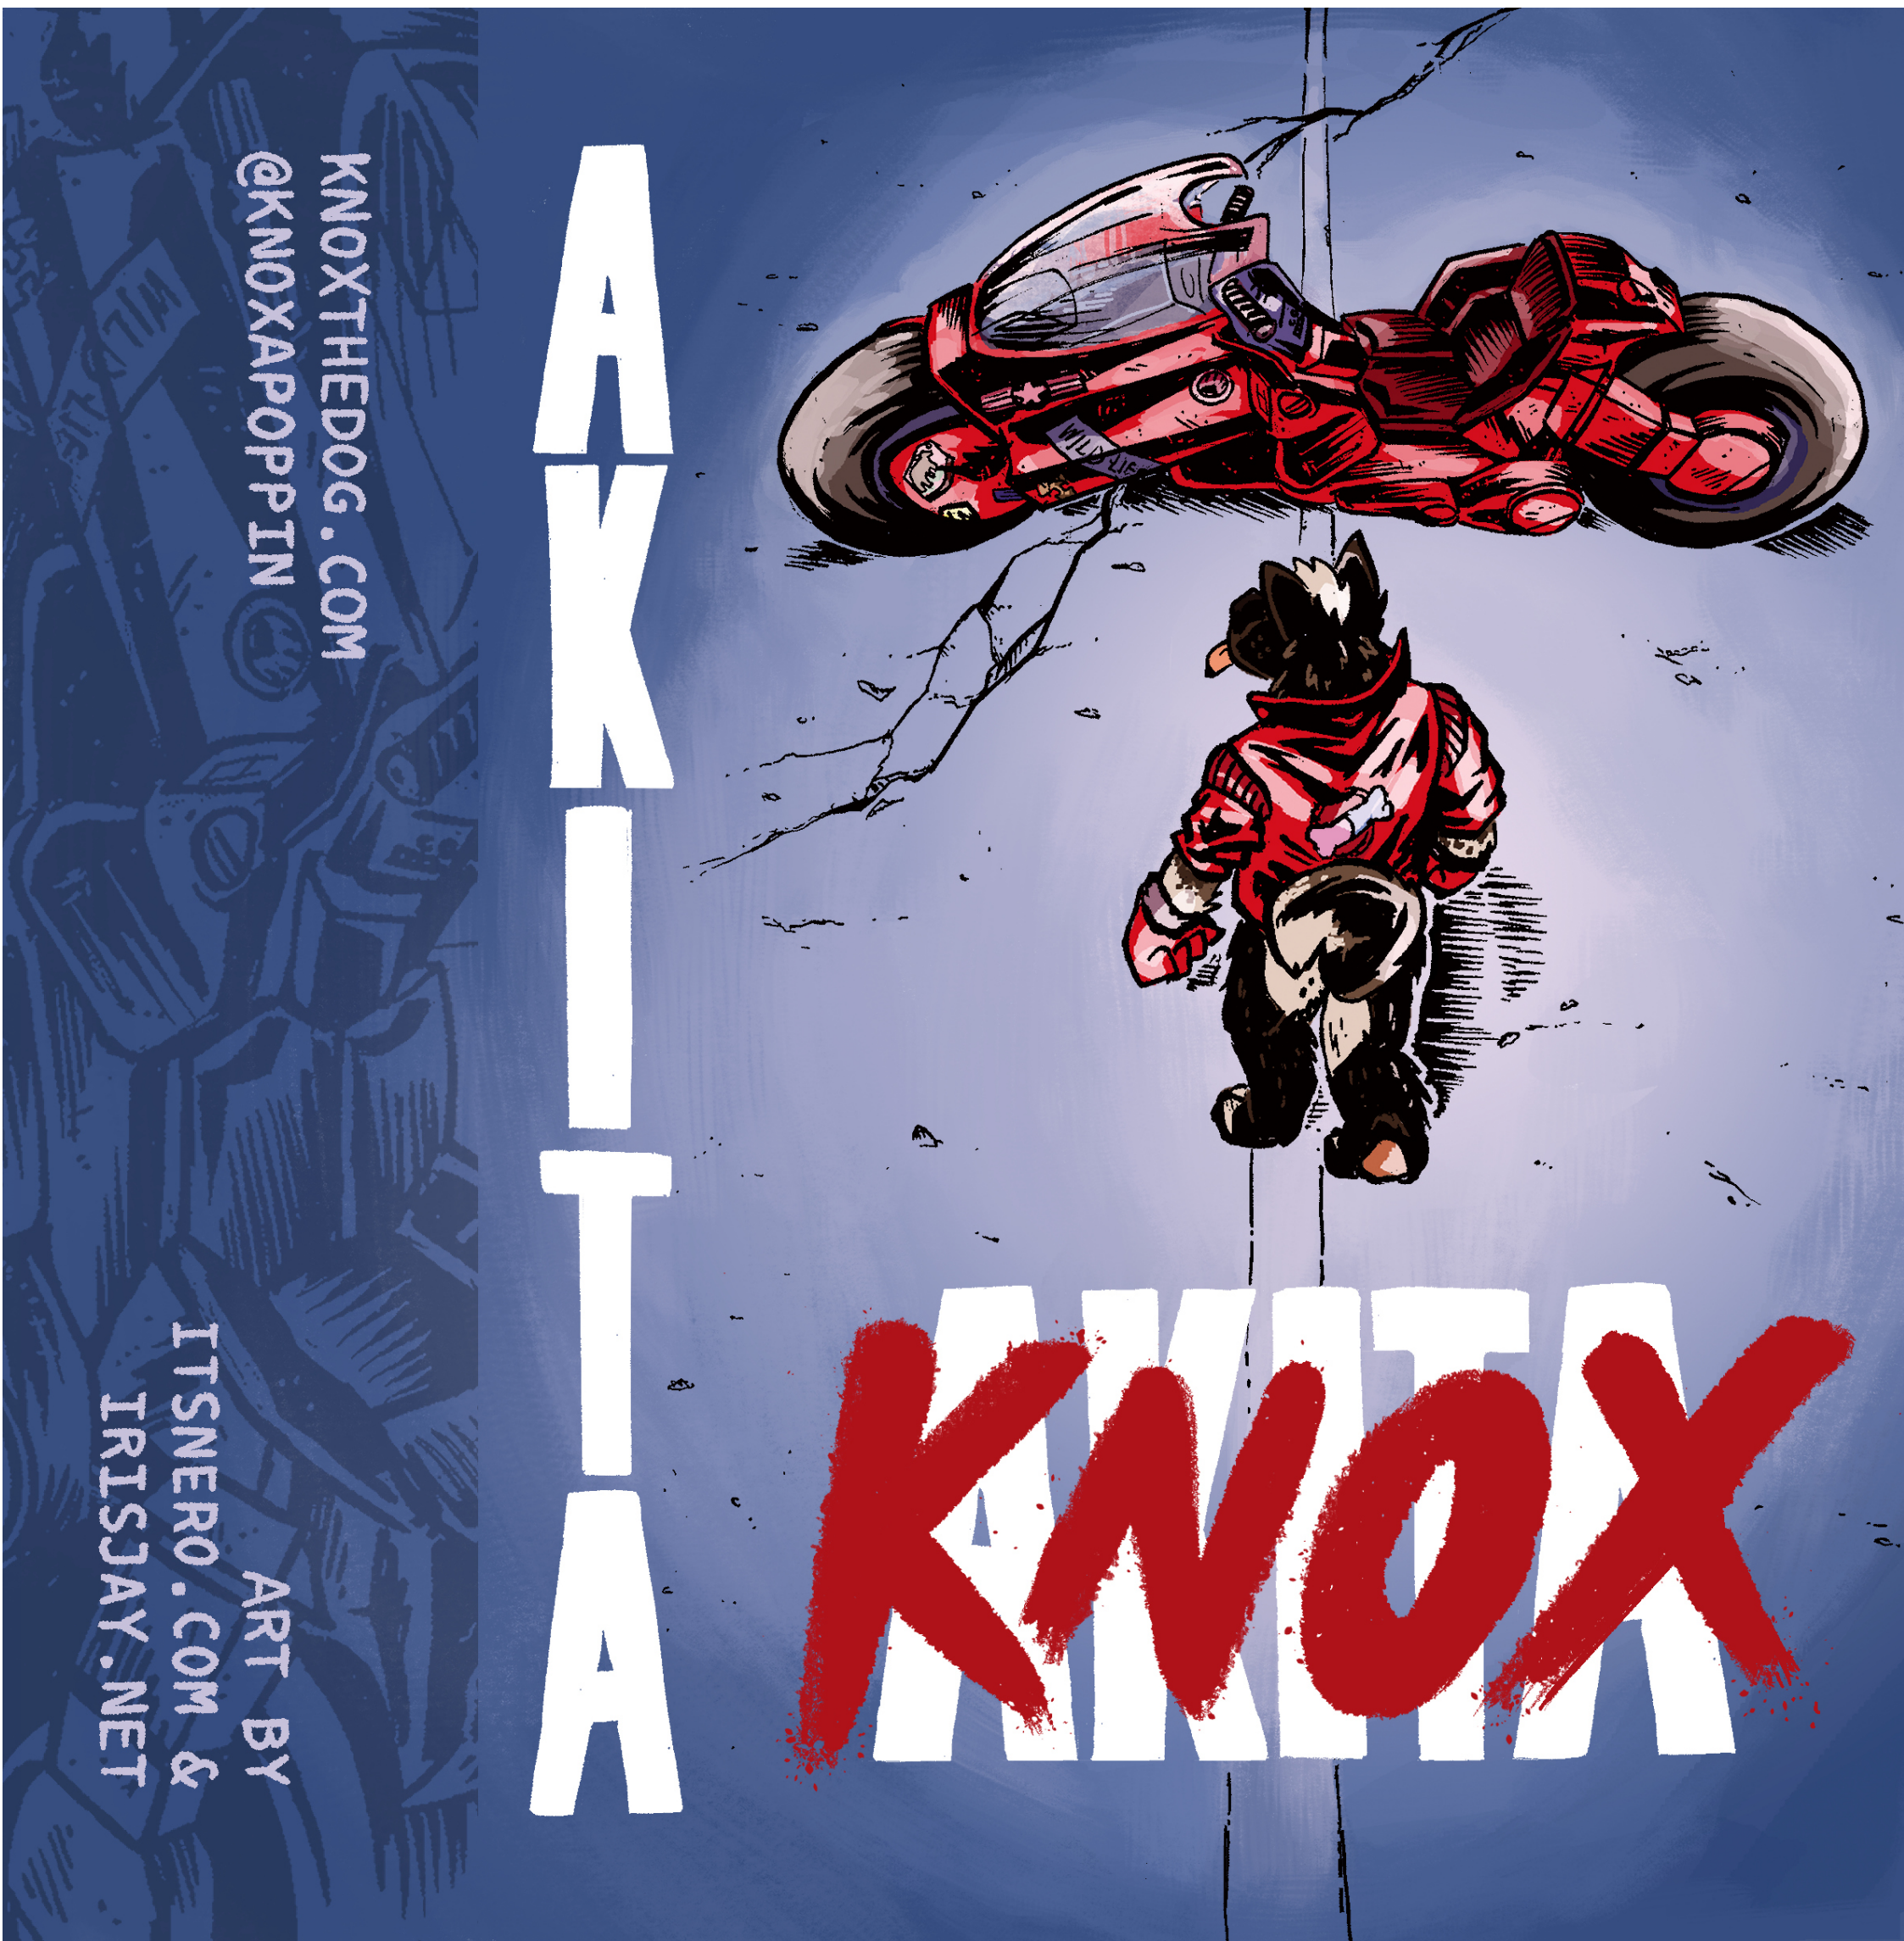

SKETCHBOOK

Mixtape design for a friend-
Iris Jay did the initial sketch and colors,
I did the inks and design work.

This is actually a stand alone illustration from 2017
[I think?] but aforementioned friend wanted
to reuse it for this mixtape.

Ambrosia anthology character concepts-
not very fleshed out, but I needed something
to work with for the thumbnails.

Cover texture for
'Monstrous Love',
an anthology by
Kory Bing, Iris Jay,
and myself.
